Delegated new gTLDs

+ 172 new gTLDs delegated so far
+ Approximately 10 new gTLDs request delegation each week
Extremely high satisfaction reported by respondents
Following up with customer groups to find out more about how we can improve satisfaction
Working on way to increase participation in 2014 survey
TCRs are volunteers who oversee ICANN’s management of the root DNS KSK.

This consultation asks for input on how well the system works and whether ICANN should be asked to cover their reasonable travel costs.
